Week 9: Weekend of November 21-22

BULLETIN BOX:

The Governors of Delaware and Maryland have a choice.
The federal scholarship program already exists.

The question is whether Delaware and Maryland will participate so qualifying Scholarship Granting Organizations can serve Delaware students through the program.

THE OPPORTUNITY IS THERE. LET'S USE IT.

Visit cdow.org/sayyes and urge Governor Meyer & Governor Moore to say yes for all students in the Diocese of Wilmington.

PULPIT ANNOUNCEMENT:

As we continue our Federal Scholarship Tax Credit campaign, I invite you to write or call our Governor to advocate for students in Maryland/Delaware.

The program could bring real help to families across Delaware and Maryland, starting in 2027.

It takes one “yes” from Governor Meyer *(and one “yes” from Governor Moore)* to open this door for our children. Let's make sure they hear from us.
