Week 6: Weekend of Oct. 31-Nov. 1

BULLETIN BOX:

WHAT IF MORE EDUCATION DOLLARS COULD WORK HERE AT HOME?

When Delaware and Maryland participate, qualifying scholarship contributions can support Delaware and Maryland students and educational services used by families across the Diocese of Wilmington.

That can mean resources flowing to schools, tutors, educational programs and services serving children in our own communities.

An opt-in by Governor Moore or Governor Meyer means their state will benefit.

Visit cdow.org/sayyes and urge Governor Meyer & Governor Moore to say yes for all students in the Diocese of Wilmington.
